InstructiesAfdrukkenDownload PDF

- 1. Mix Damco strawberry cream cake mix and Damco cold binding agent.
- 2. Add eggs and salt and mix until a smooth batter has formed.
- 3. Add butter and cream and mix for 1 minute until smooth. Add **Fruitease strawberries** to batter and fill lined cake tins with 500 gr of the mixture.
- 4. Place cakes into hot oven and turn oven down to 130°C. After 20 minutes, carefully cut lines with a knife which was dipped in oil.
- 5. Cook the rose water and sugar to a syrup and, using a brush, cover the cakes with the syrup while hot.
- 6. Once cooled, cover cake with **Chocuise souplesse strawberry** and decorate.
